Political corruption - Wikipedia Political corruption is the use of powers by government officials or their network contacts for illegitimate private gain. An illegal act by an officeholder constitutes political corruption only if the act is directly related to their official duties, is done under color of law or involves trading in influence.. Forms of corruption vary, but include bribery, extortion, cronyism, nepotism ... Political system - Wikipedia In geopolitics, a political system defines the process for making official government decisions. It is usually compared to the legal system, economic system, cultural system, and other social systems.However, this is a very simplified view of a much more complex system of categories involving the questions of who should have authority and what the government influence on its people and economy ...
