They describe the relationship between a body and the forces acting upon it, and its motion in response to those forces. More precisely, the first law defines the force qualitatively, the second law offers a quantitative measure of the force, and the third asserts that a single isolated ... A History of Pentagrams in the Occult, and the Pentagram ... By Scott Wells Munroe Falls Paranormal Society Symbols are used as a sort of shorthand to convey particular meanings. In and of itself, a symbol is fundamentally meaningless, and it is only the understanding we bring to it that actually gives it any definition.
