The Disciplines of Dowsing - mj-danmark.dk The second reason for this book is around the need for quality in dowsing. Between us we've been involved in various aspects of the field for a fair few decades now: and it's painfully clear that far too much of the dowsing work being done at present – especially in the study of earth-energies and the 'earth-mysteries' The Dowser's Workbook title suggests, this is a workbook on dowsing: so it's a practical book, with a series of exercises that bring the ideas behind dowsing into a practical, usable context. By using the book in this way, working through each of the exercises in sequence rather than just reading them, you should be
